SOURCE:

1. A machine-gun of the same calibre as the one used in the REMON assassination is missing from Guardia Nacional (GN) Headquarters.
2. Alejandro REMON stated that Tenistocles DIAZ will have to account to him personally for DIAZ' opposition to REMON's appointment as Minister of Government and Justice. It is believed that REMON will receive this appointment within one month. It is also believed that DIAZ and Juan E. JIMENEZ are implicated in the REMON assassination.

Comment. It is believed that tension is increasing in government circles despite surface calm.
